

DURANGO
NATURE
CENTER

Acquired in 1998 by Durango Nature Studies, this 142-acre natural area is protected by a conservation easement.

Please help us keep the Durango Nature Center healthy for all of our visitors and wildlife.

- **Stay on designated trails**
- **No animals allowed (even on a leash)**
- **No collecting**
- **No smoking**
- **Please leave no trace**
- **No bicycles**
- **No motorized vehicles**
- **Be aware** that uneven ground surfaces, rattlesnakes, falling rocks, and other natural hazards may exist. Always use caution and good judgment. Groups with children should stay together.
